Consider recommendations regarding the Acceptance of a Sewer Easement from APN 111-251-001, Fourth District, as follows:

Acting as the Board of Directors, Laguna County Sanitation District:

a) Accept the easement deed from the Thadius M. Freebourn and Susan M. Freebourn, husband and wife as joint tenants, owners of APN 111-251-001, and authorize the Clerk of the Board to execute the certificate of acceptance; and

b) Find that the proposed action does not constitute a “Project” within the meaning of the California Environmental Quality Act, pursuant to 14 CCR 15378(b)(5), in that it is a government administrative activity that will not result in direct or indirect changes in the environment.
