Consider the recommendations regarding the Review of Governance Alternatives for Laguna County Sanitation District, Fourth District, as follows:

- a) Direct staff to meet with the City of Santa Maria to determine their interest in providing wastewater treatment services for the area currently provided by Laguna County Sanitation District; and
  - b) Direct staff to meet with Golden State Water Company (formerly California Cities Water Company) to determine interest in evaluating possible improvements to facilities owned by Golden State Water Company that could reduce costs of operations for Laguna County Sanitation District.
