Consider recommendations regarding an update regarding the County Trout Stocking Program at Lake Cachuma, Third District, as follows:

- a) Receive and file correspondence between the California Department of Fish and Wildlife (CDFW), Santa Barbara County staff, and the Third District office; and
- b) Find that the proposed actions do not constitute a “Project” within the meaning of the California Environmental Quality Act (CEQA), pursuant to 14 CCR 15378(b)(2), as they consist of general policy and procedure making.
