Consider recommendations regarding a request for a Sole Source Waiver for Coroner's Bureau software system, as follows:

- a) Authorize the Purchasing Agent to procure a Coroner's Medical Examiner Database software system from VertiQ Software LLC, (not a local vendor) in an amount not to exceed \$21,500 (including 7.5 % tax);
- b) Authorize a sole source maintenance contract with VertiQ Software LLC, for the same software system, beginning approximately 90 days after installation of the software, in an amount not to exceed \$3,600 annually;
