Title: Consider recommendations regarding purchasing authorization for procurement of aggregates, hot mix asphalts, and concrete used in the construction and maintenance of County maintained roads, as follows:

a) Authorize the Purchasing Agent to waive competitive bidding to procure aggregate materials, hot mix asphalts, and concrete used in the repair and construction of County infrastructure on an as-needed basis from the vendors listed in Table 1, effective through June 30, 2018; and

b) Determine that the proposed actions are not a “project” under the California Environmental Quality Act pursuant to Section 15378, as they involve administrative and other general policy and procedure making activities that will not result in direct or indirect physical changes to the environment, and direct staff to file a Notice of Exemption on that basis.
