Title: Consider recommendations regarding Abbott and Dexcom Diabetes Software Management Applications, as follows:

a) Approve, ratify, and authorize the Director of Public Health, or designee, to accept the terms of use with Abbott and Dexcom Applications for implementation of a program application for the management of Diabetic Patients within the Endocrinology and Primary Care Departments of the Public Health Department’s Health Care Centers;

b) Approve and authorize the Public Health Department Director, or designee, to approve additional “no cost” data use agreements for diabetic supply management software with the California Department of Public Health for the years 2021 through 2026 for long-term COVID-19 response upon review and approval by the County Counsel’s Office, Risk Management, and the Auditor-Controller’s Office; and

c) Determine that the above actions are not a “Project” within the meaning of the California Environmental Quality Act (CEQA), pursuant to Section 15378(b)(5) of the CEQA Guidelines, because the actions are organizational or administrative activities of the government that will not result in direct or indirect physical changes in the environment.
