File #: 19-00675, **Version:** 1

Consider recommendations regarding the Maria Ygnacio Creek, Main Branch and East Branch Revegetation Project, Second District, as follows:

Acting as the Board of Directors, Flood Control and Water Conservation District:

- a) Approve the plans and specifications for the Maria Ygnacio Creek, Main Branch and East Branch Revegetation Project;
- b) Award the construction contract for the Maria Ygnacio Creek, Main Branch and East Branch Revegetation Project, in the amount of \$299,211.60 (including \$15,000.00 in itemized supplemental work) to the lowest responsible bidder, Chambers Group, Inc., (not a local vendor), subject to the provisions of documents and certifications, as set forth in the plans and specifications applicable to the project and as required by law;
- c) Approve and authorize the Chair to execute the Construction Contract upon return of the contractor's executed contract documents, and the review and approval of the County Counsel, Auditor-Controller, and Risk Manager or their authorized representatives;
- d) Authorize the Public Works Director or designee to approve changes or additions to the work being performed under the Construction Contract, in an amount not to exceed \$27,460.58 for the Maria Ygnacio Creek, Main Branch and East Branch Revegetation Project;
- e) Determine that the Maria Ygnacio Creek, Main Branch and East Branch Revegetation Project to be carried out is for the benefit of a single zone; and
- f) Find that pursuant to the California Environmental Quality Act Guidelines section 15162, no substantial changes are proposed, there are no substantial changes in circumstances and no new information of substantial importance has come to light regarding environmental effects of the project or feasibility of mitigation measures and, therefore this is within the scope of the project covered by the Program Environmental Impact Report for the Updated Routine Maintenance Program (01-EIR-01) approved in 2001, and subsequent addenda, including the 2017 Updated Debris Basin Maintenance Plan approved and adopted by the Board on June 6, 2017, and that no new environmental document is required.
