Consider recommendations regarding a Rooster Ordinance, as follows:

- a) Authorize Animal Services staff, in consultation with the Agriculture Commissioner, to draft an ordinance amending Chapter 7 of the County Code, Animals and Fowl, and return to the Board of Supervisors with the proposed ordinance regulating and limiting the number of allowable roosters by parcel size in unincorporated Santa Barbara County; and
- b) Determine that the above action is not a project under the California Environmental Quality Act (CEQA), pursuant to CEQA Guidelines Sections 15378(b)(4) and 15378(b)(5) because it consists of government administrative or fiscal activities that will not result in direct or indirect physical changes in the environment.
