Consider recommendations regarding Pacific Coast Energy Company Seep Can No. 100 Emergency Permit 16EMP-00000-00007, Fourth District, as follows:

- a) Receive and file the report on Emergency Permit 16EMP-00000-00007, which authorized the placement of a seep can used to prevent the seepage of petroleum fluids from impacting the environment on the subject property (Assessor Parcel number 101-020-074);
- b) Accept that issuance of the Emergency Permit is exempt from the California Environmental Quality Act (CEQA) pursuant to CEQA Guideline section 15269(c), as this action was necessary to prevent or mitigate an emergency; and
- c) Determine that receiving and filing the report is not a project pursuant to CEQA Guideline section 15378(b) (5), as it is an administrative government activity that will not result in direct or indirect physical changes in the environment.
