File #: 19-00092 **Version:** 1
Type: Agenda Item **Status:** Passed
File created: **In control:** BOARD OF SUPERVISORS
On agenda: 1/29/2019 **Final action:** 1/29/2019
Title: Consider recommendations regarding Southern California Edison Interconnection Agreements for the Tajiguas Resource Recovery Project, County Project No. 828368, Third District, as follows:

a) Approve and authorize the Chair to execute the Generator Interconnection Agreement and Wholesale Distribution Services Agreement in the amount of \$596,864.00 with Southern California Edison for the electrical interconnection between the Tajiguas Resource Recovery Project Anaerobic Digestion Facility and the Southern California Edison electricity grid;

b) Approve and authorize the Chair to execute the Net Energy Metering and Generating Facility Interconnection Agreement and Facilities Financing and Ownership Agreement in the amount of \$522,436.00 with Southern California Edison for the electrical interconnection between the Tajiguas Resource Recovery Project Materials Recovery Facility and the Southern California Edison electricity grid; and

c) Determine that the previous Final Subsequent Environmental Impact Report (EIR) 12EIR-00000-00002 (SCH No. 2012041068) and Subsequent EIR Revision Letter and Errata dated May 27, 2016 certified by the Board of Supervisors on July 12, 2016 and Final Subsequent EIR Addendum dated August 11, 2017 (revised October 26, 2017) considered by the Board of Supervisors on November 14, 2017 are adequate review pursuant to California Environmental Quality Act Guidelines Section 15162, no substantial changes are proposed, and no new information of substantial importance has come to light regarding environmental effects of the project or of the sufficiency or feasibility of mitigation measures, and therefore the Generator Interconnection Agreement, the Wholesale Distribution Services Agreement, the Net Energy Metering and Generating Facility Interconnection Agreement, and the Facilities Financing and Ownership Agreement with Southern California Edison are within the scope of the project covered by the prior environmental review and no subsequent Environmental Impact Report or Negative Declaration shall be prepared for this action.
