Consider recommendations regarding the Pacific Coast Energy Company Seep Cans Emergency Permit, 13EMP-00000-00004, Fourth District, as follows:

- a) Receive and file a report on Emergency Permit 13EMP-00000-00004, which authorized the placement of seven seep cans on the subject property which are used to prevent the seepage of petroleum fluids from impacting the environment, APN 101-020-074;
- b) Determine that issuance of the emergency permits is exempt from the California Environmental Quality Act (CEQA) pursuant CEQA Guideline section 15269(c), as this action was necessary to prevent or mitigate an emergency; and
- c) Determine that receiving and filing this report is not a project pursuant to CEQA Guideline section 15378(b) (5), as it is an administrative government activity that will not result in direct or indirect physical changes in the environment.
