Consider recommendations regarding the Center for Care Innovations (CCI) - Tides Foundation Safety Net Data Grant Award Acceptance, as follows:

- a) Authorize the Public Health Department Director to accept the Grant Award for the department's Safety Net Analysis Program from the CCI-Tides Foundation to support operational performance outcomes required for Patient Centered Medical Home (PCMH) for the period of December 1, 2014 through January 31, 2016 in the amount of \$20,000.00; and
- b) Determine that these activities are exempt from California Environmental Quality Act (CEQA) review per CEQA Guideline Section 15378(b)(4), since this is a government funding mechanism that does not involve commitment to any specific project which may result in a potential significant physical impact on the environment.
