- b) Direct staff to return to the Board with the grant as part of the Office of Emergency Management's budget and work program request if the grant is awarded; and
- c) Determine that the proposed action is related to the creation of a government funding mechanism and other fiscal activities which do not involve any commitment to any specific project which may result in a potentially significant physical impact on the environment, and is therefore exempt from the California Environmental Quality Act (CEQA) pursuant to CEQA Guideline section 15378 (b)(4) and direct staff to file a Notice of Exemption.
