Consider recommendations regarding Community Choice Energy - Utility Non-Disclosure Agreements for Feasibility Study, as follows:

- a) Approve and authorize the County Executive Officer to sign the Community Choice Aggregator Non-Disclosure Agreements with Pacific Gas and Electric Company and Southern California Edison to obtain electricity load data for the purpose of investigating, pursuing, or implementing community choice aggregation; and
- b) Determine that the recommended actions do not constitute a project subject to environmental review under the California Environmental Quality Act (CEQA) pursuant to CEQA Guidelines Section 15262, as the actions involve only feasibility or planning studies for possible future actions which the Board has not approved, adopted, or funded and does not have a legally binding effect on later activities, and direct staff to file a Notice of Exemption (NOE).
