Consider recommendations regarding an Ordinance establishing fees for Extended Producer Responsibility Stewardship (EPRS) Program for Safe Drug Disposal, as follows:

- a) Consider the adoption (second reading) of an Ordinance establishing the EPRS fee schedule effective thirty days after final passage; and
- b) Determine that the recommended actions are not a Project and are exempt pursuant to the California Environmental Quality Act (CEQA) Guideline Sections 15378(b)(4) and 15378(b)(5) because the actions are administrative activities of a local government and government fiscal activities which do not involve any commitment to a specific project which may result in a potentially significant physical impact on the environment and direct staff to file a Notice of Exemption.
