Consider recommendations regarding acceptance of offer and sale of surplus equipment, as follows:

- a) Approve and accept the highest public auction offer to purchase surplus heavy equipment at a Caterpillar-sponsored auction and authorize the Purchasing Manager to prepare Bills of Sale and complete the transaction; and
- b) Find that the submittal of surplus equipment for public auction does not constitute a “Project” within the meaning of the California Environmental Quality Act pursuant to 14 CCR 15378 (b)(5) (Organizational or administrative activities of governments that will not result in direct or indirect physical changes in the environment), and approve and direct staff to file a Notice of Exemption on that basis.
