Consider recommendations regarding authorizing the County Counsel's Association of California (CCAC) to use the County's Copyrighted Public Law Training Guide for educational purposes, as follows:

- a) Authorize the CCAC to use the Eaglet's Guide to Public Law, for which the County of Santa Barbara owns the copyright, to create a derivative work for educational and not-for-profit purposes to assist CCAC in the statewide training of Deputy County Counsel attorneys in California;
- b) Authorize County Counsel to execute a copyright licensing agreement with CCAC to reflect the above; and
- c) Find that the recommended authorizations are not a "project" under the California Environmental Quality Act (CEQA) Guideline 15378(b)(5), in that this does not involve a commitment to any specific project which may result in a potentially significant impact to the environment.
