Consider recommendations regarding pension cost sharing for unrepresented safety management employees, as follows:

- a) Approve a Resolution to implement additional pension cost sharing provisions for unrepresented management employees in legacy safety retirement plans, along with additional wage increases for a certain subset of those employees, effective as soon as practicable on or after July 1, 2019; and
- b) Determine pursuant to California Environmental Quality Act (CEQA) Guidelines Section 15378(b)(4) that the above action is a government fiscal activity which does not involve any commitment to any specific project which may result in a potentially significant physical impact on the environment, and therefore is not a project subject to environmental review.
