Consider recommendations regarding a Third Quarter update on Cannabis Compliance, Enforcement and Taxation, as follows:

- a) Receive an update on the status of cannabis land use permitting, business licensing, tax collection, enforcement, and State licensing; and
- b) Find that the proposed actions are administrative activities of the County, which will not result in direct or indirect changes to the environment and therefore are not a “project” as defined for the purposes of the California Environmental Quality Act (CEQA) under State CEQA Guidelines Section 15378(b)(5).
