Consider recommendations regarding an Application for Destruction of Special Investigations Bureau Confidential Informant Files, Operator-Evidence Expense Voucher Receipt Books, and Cash Box Transaction Ledgers, as follows:

- a) Approve an application for the destruction of Special Investigations Bureau confidential informant files (10 years or older), operator-evidence expense voucher receipt books (5 years or older), and cash box transaction ledgers which are no longer required by law to be retained; and
- b) Determine that the recommended action is not a “Project” within the meaning of the California Environmental Quality Act (CEQA), pursuant to CEQA Guideline Section 15378(b)(5), since the recommended action does not involve commitment to any specific project which may result in a potentially significant physical impact on the environment.
