Consider recommendations regarding a Fifth Amendment to the Oregon Community Health Information Network (OCHIN) Master System Agreement, as follows:

- a) Approve and authorize the Chair to execute the Fifth Amendment to the Master System Agreement with OCHIN to replace Exhibit H which updates the patient privacy language in the agreement; and
- b) Determine that the proposed action does not constitute a “Project” within the meaning of the California Environmental Quality Act (CEQA), pursuant to Section 15378(b)(4) of the CEQA Guidelines, because the action consists of the creation of a government funding mechanism, or other government fiscal activities, which do not involve any commitment to any specific project which may result in a potentially significant impact on the environment.
